Thanks for highlighting me in Women on the GROW. I am honored to be affiliated with the organization along with so many great ladies.

Tonga Johnson, State of Tennessee

Thanks for the follow up email and introduction to GROW. Sounds like a fabulous group and opportunity for women. I'm hoping to get involved with some golfing classes, opportunities and more this year. I look to receive more information, so I'll stay tuned.

Teresa Campbell, Computer Sciences Corporation

Congrats on the very progressive and forward thinking organization.

David Wilson, Entrepreneur

The instructors were good teachers and very encouraging.

History of GROW

Golfers Recognizing Opportunities for Women, Inc. was founded in 2007 and was incorporated as a non-profit organization two years later. The mission of GROW is to train and provide personal and professional development opportunities for women through a mutual interest in the game of golf.

Members are from various industries and professions and include college students, women in business, retirees, mothers who want a day out, etc. GROW members have various interests and skills sets in the game from beginners to advanced. Some just have an appreciation for the game and volunteer at golf tournaments while others play every chance they get!
